**Re: Docket No. 04-00434 – Wastewater Forum**

Dear Darlene:

I have reviewed the questionnaire that you sent to me regarding wastewater utilities. To the best of my knowledge, Pickett County Government does not require any type of bond to be in place before a wastewater utility can construct or operate within Pickett County. Therefore, questions two through five are not applicable to Pickett County.

If you have any questions, please give me a call at the above number.

Sincerely,
